Re: Testimonial For On Site Truck Alignment.

**On Site Truck Alignment has been working for the past 4 years at
Above company's premises.**

**On Site Truck Alignment's Technicians are well trained and qualified
To render a service of very high quality, and to comply with our
Company's quality control.**

**On Site Truck Alignment has been able to comply with our
Strict time schedules, meaning Saturdays, Sundays and public holidays
Always available and willing to help.**

**We are very satisfied with the quality and standard of work done
On our premises, and we would recommend On Site Truck Alignment
For your company's alignment and balancing needs.**

**Yours Faithfully
Boland Loedolff**
